

Spirit Wands with Jan Murphy!

Supply List

- Wands! Wander your favorite beach in search of sticks washed up from faraway places! Look for unusual, twisty, bumpy, oddly shaped sticks to make your wands extra interesting. (I'll have extra sticks available in class.)
- Acrylic paints in colors you love
- Crystals (if you have them)
- Small treasures – either from nature or your misfit jewelry collection (charms, feathers, etc.)
- Ribbons, twine, fabric scraps
