

Supply List for Cyanotype Workshop

Students prepare at home to bring:

- Flattened natural botanicals – leaves, flowers, grasses, etc.
- Other textured materials – netting, cheesecloth, doilies, screens, lace
- Solid objects – containers, glasses, small toys, stencils, kitchen utensils, sea shells, wood chips, office stuff
- Translucent objects – bottles, glasses, bubble wrap
- Sewing machine (optional) and threads
- Embroidery thread (optional)
- 100% cotton, linen, canvas cloth that has been washed, dried, ironed
- Cotton interfacing material with or without ability to iron on to other fabrics
- Fabric notions: ribbons, beads, lace by the yard, trims and other decorative sew-on or glue-on items
- Portable hairdryers
- Paper bag lunch and refillable water bottles
- Bug spray
- Wear old clothing, bring a hat if sensitive to sun
- Recycled plastic bags to bring home wet prints that didn't have time to dry
